Hew. Sem. Andover June 12. 1829

Bro Phelps & Tillotson

I have with send you your recommendation to the Sem. N.Y. It would have been sent 2 days earlier had not Esq Farrar been in Boston for the purpose of Electing a Prof.—he returned this morning; having Elected the Trustees Dr. Wisner

I received your letters of the 8th inst after nine to Bro d. had been sent to the Office & was mailed I just had time however, to break the Seal (which will account for its tattered appearance) & inform you of the arrival of the yours ~~letty~~ It somewhat remarkable that those letters ~~were~~ (been treble) run the gauntlet without being detected, (but you recollect the wooden Horse.) I shall not be enable to give you so full information on the topics of your letters as you may wish, but will now reply to some of them generally, giving the details very soon by a private conveyance, wishing to make you as little expense as possible

1st Ts bill to Esq F is paid $47. also Ps bill $54 — 6.50 due (on last bill is 47.50)

including ~~with~~ interest on the old bill after deducting $1.50 allowed on the room № 10. The amount of your other bills ~~they~~ I have not as certained yet but I will do it immediately. Your property shall be disposed of to the best advantage possible & the avails placed to your Credit. The Chris. Spec. is stopped—the Q. Reg. will be sent. Journal of Humanity will be sent & rolls Emerson's tracts I will attend to & all the other business give yourself no trouble. It requires some time to settle an estate you know
